

National Collaborating Centre for Environmental Health

Health Promotion in Context of Health Protection

May 31, 2012
Vancouver, BC

National Collaborating Centre
for Environmental Health

Centre de collaboration nationale
en santé environnementale

BC Centre for Disease Control
An Agency of the Provincial Health Services Authority

Outline of the Day

- Introductions
- 3 case studies
- World Café – Education Needs and Tools
- Next steps
- Capacity building – making the case
- Sharing successes and challenges

Planning Committee

Rose Soneff –Facilitator (health promotion)

Audrey Campbell – Author of HP study

Lesley Dyck – NCCDH (health promotion)

Nelson Fok – AHS (health protection)

Sylvanus Thompson – City of Toronto
(health protection)

Mona Shum – NCCEH (\$\$\$)

Also, thanks to Kirsten Mitchell

Workshop Objectives

- To define and support health promotion within the context of health protection
- To identify education needs and tools for Health Promotion for Public Health Inspectors and to conduct health promotion training.

Learning Objectives

- Be able to describe relationships between health protection and health promotion
- Better understand how health protection practitioners currently incorporate health promotion into their work, what supports and barriers exist, and what training and programmatic structures would be useful
- Identify health promotion resources

Thank You
